Rahul slams BJP for "insulting OBCs" at Kolar rally

Kolar, Apr 16 (UNI) Addressing the issue that cost him the Wayanad MP's post, senior Congress leader Rahul Gandhi on Sunday slammed the BJP government for "insulting the OBCs" of this country and challenged Prime Minister Narendra Modi to make public a caste census report. "BJP alleges that I insulted the OBCs of this country ...

In fact, a caste census was conducted while UPA was in power, but the BJP hid the data after assuming power. Today, SCs, STs and OBCs represent only seven per cent of BJP's central government." "If the caste census report is revealed, it is going to be clear who is insulting the OBCs. I demand the BJP government and challenge PM Modi to make

the report public," he said addressing the 'Jai Bharat' rally here. The Gandhi scion had lost his MP status after a court sentenced him to two years in jail in a defamation case against him for his "all thieves have Modi surname" remark. He had made this remark at Kolar in the run up to 2019 Lok Sabha elections. Rahul was convicted by Surat court under Section 504 (Intentional insult with intent to provoke breach of the peace) of the Indian Penal Code (IPC). The case was filed by Gujarat BJP MLA Purnesh Modi alleging that Rahul defamed the entire Modi community with his statement. The complaint was

filed under IPC sections 499 and 500, both dealing with defamation. Rahul further said he is not scared of BJP's "intimidation" with disqualification. "They (BJP) think that they will intimidate me with disqualification, but I am not scared. Disqualify me, put me in jail, I am not scared," he said. Rahul said he wrote two letters to Lok Sabha Speaker Om Birla seeking permission to respond to the anti-OBC allegations against him, but was rejected. The Speaker was scared to discuss the Adani issue in the Parliament, and the next moment he was disqualified as MP, he said. On party's electoral pros-

pects in the May 10 assembly election in the state, Rahul promised to reward the people of Karnataka with 200 units of free electricity; Rs 2,000 per month for women; Rs 3,000 for every graduate for two years; and Rs 1,500 to diploma holders, if Congress comes to power. Rahul Gandhi also brought up the Adani "corruption" issue and said PM Modi only works for Adani and the growth of his empire. "Whenever I speak about Adani in parliament, my mic is turned off. I even showed the picture of PM Modi sitting next to Adani in his aircraft, and I was forced to put down the image. If I ask the

speaker about it, he only smiles and doesn't answer my question. PM Modi will soon sell this country to Adani," he said. Earlier in a Facebook Post, Rahul said his party would ensure that Karnataka is freed from the clutches of the "40 per cent commission BJP government." "The BJP is exploiting the vast potential of the people of the state for its own gain. We will ensure Karnataka is freed from the clutches of the 40 per cent Commission BJP Sarkara. Can't wait ... to listen, learn and formulate a new vision of governance together with the people of the state. Congress Baralide, Pragati Taralide," he said. The Gandhi scion further said four guarantees given to the people of Karnataka by the Congress party are formidable steps to undo the wrongdoings of BJP's 40 percent commission government in the state. "We have felt people's pain during the Karnataka leg of the Bharat Jodo Yatra. We have come now with sure shot solutions: Gruha Lakshmi, Gruha Jyothi, Anna Bhagya, and Yuva Nidhi," he said. These schemes have been created to ensure that the lives of all Kannadigas get the dignity they deserve, Rahul said. "The Congress and my commitment to Karnataka's welfare, especially its women and unemployed youth, is unflinching," he said. Rahul also said, "Basavanna-ji's teachings of love, humility and compassion are deeply ingrained in every Kannadiga's DNA and have left a lasting impression on all of us who walked for the better future of India during the Bharat Jodo Yatra."

Mumbai, Apr 16 (UNI) Union Home Minister Amit Shah presented the Maharashtra Bhushan Award 2022 to spiritual leader and social activist Dattatreya Narayan alias Appasaheb Dharmadhikari at Kharghar in Navi Mumbai on Sunday. Maharashtra Chief Minister Eknath Shinde and Deputy Chief Minister Devendra Fadnis were present on this occasion. A large number of Dharmadhikari followers were present in large numbers at the venue. Grand arrangements were made for the Maharashtra Bhushan Award ceremony at the Vishal Corporate Park in Kharghar. A large number of Dharmadhikari followers were present at the venue. The Maharashtra Bhushan Awards were instituted in 1995 after the Shiv Sena-BJP alliance came to power in the state. This award were given to persons who made outstanding contributions for society.

people present on occasion by saying that I am present as a member of this function. Referring to the social work Dharmadhikari, the Chief Minister said, I don't know what to say in front of such a big ocean. I am not standing before you today as Chief Minister but I am present here as a member of your family. The ocean of people is rolling in this place saying 'Pahila Janancha Sagar filled the jar of knowledge'. The fact is that the sun is burning with full force and not a single person who has been sitting here in the sun since morning wakes up. This is the strength of Appasaheb. Every member is disciplined and I would like to say here that my wife and son MP Dr. Srikanth is also sitting in the front among these members. This Janasagar (Crowd) is present here from last night for the love of Appasaheb. In this place, we see that spiritual power is greater

than political power. The chief minister said on this occasion that we are seeing a living example of the connection, blessing and inspiration of the political and spiritual establishment. This crowd is breaking all records and if the record is to be broken, it can only be broken by Mr. Appa Saheb's members, said Shinde. God appears in the form of Appasaheb in this vast ocean of people. Nanasahab was also announced for the Maharashtra Bhushan award but after his death Appasaheb accepted it in the same ground and it is a coincidence that the 2022 Maharashtra Bhushan was given to Appasaheb again today in the same ground. My family was destroyed when (like the mountain of grief fell on my family), At that time I was supported by Dharmaveer Anand Dighe in Thane and Appasaheb guided my entire family to serve this

society again and that is why I stand before you today not as Chief Minister but as a member, said CM while adding that Appasaheb has made a big contribution in my life too. Appasaheb did the job of saving and giving direction to the family when it was falling apart. Nanasahab and Appasaheb did the work of eliminating undesirable practices like superstition, addiction, dowry and taught us how to get away from temptation, maya and jealousy. While working as a government, we are also trying to serve the common people by implementing Appasaheb's thoughts, said Chief Minister on this occasion. He said Appasaheb has created

an ocean of humanity by connecting people just as dots form a rangoli. Oh man, when will you become a man.. The answer to the question posed to these sisters comes from Appasaheb's work of making man. Appasaheb has built the society in all ways such as addiction relief, cleanliness campaign, tree planting, health camp, water conservation, village cleanliness, education, guidance, he added. For that, Dharmadhikari Pratishtan feels like a lamp post to me, said Appasaheb Dharmadhikari and expressed the feeling that Maharashtra has been honoured by awarding Maharashtra Bhushan Award to him.

raising the slogan 'Sharam karo Modi, Sharam karo', against Prime Minister Narendra Modi, who has remained silent on the claims of former J&K Governor Satpal Malik regarding the Pulwama incident. The Modi government has not given answers to the above questions," he said. "The Modi government will have to answer these unanswered questions. No matter how much the BJP government tries to divert the public's attention from this issue as Mr Malik made the Modi government sleepless on the Pulwama incident, the people will not fall prey to their conspiracy" he said. the truth about the Pulwama incident, the Congress will demand answers through the 'Sharam Karo Modi, Sharam Karo' protests to be held on Monday, he said.
