Prepare to be captivated by a blend of opulence and expert beauty services that promise to make your visit an unforgettable one.

Saveetha Dental College joined hands with the Indian Society of Periodontology to celebrate Oral Hygiene Day 2023

Chennai: The Department of Periodontics at Saveetha Dental College, Saveetha Institute of Medical and Technical Sciences, Chennai, joined hands with the Indian Society of Periodontology to celebrate Oral Hygiene Day 2023 which was held recently in a grand manner.

This year's theme, "BE AN ECODONTIST," focused on advocating the switch from plastic toothbrushes to bamboo toothbrushes. In line with the theme, the enthusiastic students of Saveetha Dental College took the initiative to raise awareness about the significance of oral hygiene maintenance among patients. During the celebrations, bamboo toothbrushes, toothpaste samples, and informative pamphlets were distributed to patients, encouraging them to make eco-conscious choices for their oral health.

The event saw a series of engaging contests and informative lectures, fostering student interactions and promoting the concept of "Green Innovative Ideas". These ideas presented sustainable alternatives to minimize plastic usage in dentistry. The green drive continues until August 15th, as the dental college strives towards a greener tomorrow. With "Green Smiles," the Oral Hygiene Day 2023 celebrations set a powerful example of how small eco-friendly choices in oral care can contribute to a healthier planet.

Tata Motors joins hands with South Indian Bank

Chennai: In a bid to make this festive season special, Tata Motors, India's leading automotive manufacturer, has joined hands with South Indian Bank, one of India's leading private sector banks, to extend an exclusive Electric Vehicle Dealer Financing Program and offering comprehensive retail financing solutions to all customers. The MoU for this partnership was signed by Mr. Ramesh Dorairajan, Senior General Manager - Network Management & EV Sales, Tata Motors Passenger Vehicles Ltd. and Mr. Praveen Joy, Head, Transaction Banking Group, South Indian Bank.

Commenting on the partnership, Mr. Ramesh Dorairajan, Senior General Manager - Network Management & EV Sales, Tata Motors Passenger Vehicles Ltd. said, "Driving EV adoption in India is an integral part of our strategy and we are happy to have collaborators who are aligned to the same. This partnership with South Indian Bank for an exclusive financing program for our authorized electric passenger vehicle dealers is a step forward in this direction. Our dealer partners form an integral part in our journey towards enabling widespread EV adoption in India, and we are positive that this initiative will further allow us to democratize electric vehicles in the country." Speaking on this partnership, Mr. Murali Ramakrishnan, MD & CEO, South Indian Bank said, "We are delighted to have associated with Tata Motors to offer a financing program exclusively for their passenger electric vehicle dealers. This program will help the bank to expand its asset base and expand into newer consumer segments. We look forward to continuing our association with Tata Motors with various programs and offers to meet their dealers' and consumers' needs."

Chennai's Industrial & Logistics leasing stood at 2.9 mn. sq. ft. in Jan-Jun'23, records over 80% Y-o-Y increase

Chennai: CBRE South Asia Pvt. Ltd, India's leading real estate consulting firm, announced the findings of its latest report, 'CBRE Industrial & Logistics Figures H1 2023'. According to the report, Industrial & Logistics space leasing in Chennai increased by 80% Y-o-Y and stood at 2.9 million sq. ft in Jan-June'23 compared to 1.6 million sq. ft. in the corresponding period last year. The city recorded highest pan-India supply of 3.3 million sq. ft. during this period. During the Jan-Jun'23 period, among the industry segments in Chennai, 3PL players drove leasing with a share of about 47%, followed by engineering & manufacturing (29%) and auto & ancillary (6%). On a pan-India basis, the report highlights a 35% Y-o-Y surge in total leasing in Industrial & Logistics (I&L) sector, which stood at 19.1 mn. sq. ft. across 8 cities during Jan-June '23 period. The leasing activity is expected to sustain its momentum in the Jul-Dec'23 period, which is expected to be partly driven by festive season sales observed across the country. Delhi-NCR, Mumbai, and Chennai led the leasing activity during the Jan-Jun'23 period, accounting for a 60% share in the total leasing. All cities, barring Bangalore, demonstrated an uptick in I&L leasing compared to the corresponding period last year.

DRO, Tahsildar injured in cracker blast during inspection in Krishnagiri

COIMBATORE: A Divisional Revenue Officer (DRO) and a Tahsildar were injured in a blast during inspection at a cracker godown in J Karupalli village in Krishnagiri on Tuesday afternoon. According to preliminary investigation, when officials opened shutters of the godown and entered inside, crackers had fallen from atop causing a blast by friction. "The DRO (land acquisition) Balaji, Tahsildar Muthupandi and another staff got trapped inside the godown amidst blasting crackers. They suffered injuries and were rushed to Hosur Government Hospital," police said. The injured officials were likely to be shifted to a hospital in Bangalore for further treatment. The officials have been inspecting cracker godowns after nine persons died and 13 persons suffered in a blast a week ago. Further inquiries are on.

realme Records Impressive QoQ Growth of 51% in Q2 2023, Emerges Back to Top 3 in the Indian Smartphone Market

Madurai:- realme, the Most Reliable Smartphone Service Provider, has achieved a staggering QoQ growth of 51% in the second quarter of 2023, as reported by Counterpoint, a renowned market research firm. This remarkable growth strengthens realme's position in the Indian smartphone market, securing the No. 3 position among the top 10 smartphone brands as per IDC's rankings for Q2 2023. Despite the overall smartphone market in India witnessing a 3% YoY decline in Q2, realme's strategic positioning and leap-forward innovations, coupled with the industry's focus on 5G devices in the INR 10,000-INR 15,000 (~\$122-\$244) segment, propelled the brand back to its coveted 3rd position in the Indian smartphone market.

As the company continues to innovate and expand its product portfolio, realme aims to maintain its growth momentum and further strengthen its position as one of the top smartphone brands in India. With the rapid growth of the Indian smartphone market and the increasing demand for 5G devices, realme is well-positioned to capitalize on these opportunities and deliver unparalleled value to its customers. As the festive season approaches, Realme is geared up to unveil interesting launches and offers to further entice consumers.
